

GLOBRITE®

POOL AND SPA LED LIGHTS

Brilliant, compact, high-quality pool lighting.

BREATHTAKING, ENERGY-EFFICIENT,
COLORED ILLUMINATION.

When you install GloBrite® Pool and Spa Color LED Lights in a poolscape, poolside evenings go from great to spectacular. GloBrite Lights are a creative way to showcase and enhance pool features like baja shelves, steps, beach entries and other water features.

GloBrite Lights utilize advanced technology for bright, energy-efficient lighting—while using less energy than comparable incandescent lights.

Don't settle for an ordinary poolscape experience. Let GloBrite LED Lights illuminate your water features and make your evening swims and backyard entertainment more beautiful and exhilarating.

THE SIMPLICITY OF COMPATIBILITY

Enjoy fast and easy control of pool lighting with the Pentair automation including the Pentair IntelliCenter® Pool Control System or the optional Color Sync™ Controller for Pentair Color LED Pool lights.

For the ultimate in convenience and control, consider an IntelliCenter® Pool Control System, IntelliTouch® or EasyTouch® Control System.

Bright and efficient

Utilizing less energy than comparable incandescent lights.

Multiple colors and shows

5 brilliant fixed colors, 7 dazzling preprogrammed light shows.

Easy to install

Does not require grounding or bonding for quick and easy installations in fiberglass, concrete, or vinyl niches.

GLOBRITE®

POOL AND SPA LED LIGHTS

AMAZING, BRILLIANT WHITE LIGHT THAT MAKES POOL DESIGNS COME ALIVE

Add the magic and vibrancy of GloBrite White LED Lights to see your pool take possession of the night. These brilliant white lights are engineered with the most efficient LED lighting technology on the market today, and they can take your pool far beyond the ordinary. GloBrite White LED Lights highlight your pool's form and finishes, such as colored plaster, aggregates, pebble, ceramics, stone tile and glass tile. Natural colors and textures are enhanced and spring to life. Plus, you can choose from three adjustable brightness levels to set the perfect mood.

Key Features

LED array

Creates powerful illumination with remarkable energy efficiency.

15 W usage

Delivers the equivalent of 190 W of incandescent light.

Optimized brightness

GloBrite White models offer three levels of control. Choose from 100%, 75% or 50% brightness.

Added savings

With extended service life and energy efficiency.

Multiple niches

Available for concrete, vinyl and fiberglass.

Design flexibility

Compact design allows for innovative placement near steps, water features, swim-outs and more. Install in water as shallow as 4 inches.

GloBrite Pool and Spa LED Lights have earned the Eco Select® brand distinction as one of the greenest and most efficient choices from Pentair.

The TradeGrade family of products is exclusively made for and sold by the world's most demanding pool professionals.

Appearance of color and white LED light may vary between various models of lights. Appearance and perception of pool lighting may vary depending on a number of factors including, but not limited to, the particular model of light, the location/depth/angle of the light's installation, pool finish/material, pool depth/shape/geometry, ambient light sources, subjective factors and more. For best results when using multiple lights, use all the same model and do not mix multiple models of lights within a single installation.
