## NATURAL WOOD SERIES (NATY)

Our classic "Natural" reclaimed barn wood non-combustible mantels are derived from reclaimed barn beams and hand finished in three colors; brown, silver, and whitewash. They come in 4', 5', and 6' lengths with standard height of 5" and a depth of 8". Our mantels can be combined to create custom lengths using decorative extension brackets to hide seaming.

Shown: MH-MTL-NAT-5-BRN  
(Dimensions may vary +/- 3/16")
