MENDOTA[®]
NORTH AMERICA'S LUXURY FIREPLACE

BurnGreen Mendota's environmentally friendly, sealed combustion, direct vent fireplaces with the BurnGreen[®] systems are designed to meet existing governmental EPA standards, as well as national LEED[®] and NAHB guidelines for high efficiency and low emissions.

Products, specifications and prices subject to change without notice. Images shown may differ from actual home installations. Consult our Owner's Manual for all final dimensions. Mendota products are manufactured in the U.S.A.

Find your niche

The Chelsea fireplace can help you find a special place for more warmth and elegance in your home. Its narrow form allows you to place the Chelsea at eye level in a kitchen or bath, or use it as a traditional fireplace in a cozy bedroom or living space.

M27 Chelsea with Premium Fiber Oak Log Set, Milano Tile Liner, and Antique Copper Ashton Front

Chelsea

M27 Chelsea with Premium Fiber Oak Log Set, Antique Red Firebrick Liner, Ashton Black Front, Vintage Iron Filigree Overlay, and Vintage Iron Metal Doors

Greenbriar

Assert your influence

With its dramatic Georgian arch, the Greenbriar reflects the independent spirit of our colonial forefathers. Its impressive size and infinitely adjustable heat output up to 50,000 BTUH is the perfect complement to grand rooms like yours.
